

WELCOME TO KARMAYOGI INSTITUTE OF TECHNOLOGY

The trust 'Pandurang Pratishthan' is led by Shri Prashantrao Paricharak, under the the most able guidance of honorable Ex-MLA of Pandharpur Late.Shri Sudhakarpant Paricharak, with only motto "Education For All".

Karmayogi Institute of Technology college was established in 2008 to provide quality technical education to cater to the needs of the modern India. It has well qualified faculties, a state-of-art library, effective Teaching -Learning process and many other supporting facilities for overall development of the students.

The trust has purchased around 100 acres of land for the said purpose at the bank of river Chandrabhaga and completed the college building as well as separate hostel for boys and girls.

DEPARTMENTS

Automobile Engineering

Automobile Engineering is one of the most challenging careers now a days.Due to demand & passion on vehicles automobile engineers has lot many opportunaties in India & in abroad as well.It is the study of Engineering that deals with designing the vehicle,repairing,servicing vehicles.

Computer Engineering

The department with society concentrates on achieving the excellence in technical education. The department is upgraded infrastructure wise to meet the changing technological environment.A well qualified dedicated faculty looks on personal as well as educational growth of students.The Department is keen on upgrading technical skills.

Civil Engineering

Civil Engineering is a professional engineering discipline that deals with the design, construction, and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams, and buildings. Civil Engineering is the oldest engineering discipline after military engineering, and it was defined to distinguish non-military engineering from military engineering.

Electrical Engineering

Electrical Engineering is one of the fundamental branches of engineering which deals with the technology of electricity, especially the design & application of circuitry & equipments for power generation & distribution, machine control & communication. The department has well qualified, experienced faculty & well equipped laboratories such as Electrical Machines, Basic Measurement, Power System, Industrial Electronics lab.

Electronics & Telecommunication Engineering

It is the branch of engineering which deals with current conduction through a vacuum, gas or semiconductor & communication is the oldest branch of electronics that deals with sending, receiving & processing of information at long distance by electronic means. Our department is the one of the best department of college known for well equipped laboratories & classrooms.

Mechanical Engineering

Mechanical engineering is a discipline of engineering that applies the principles of physics and materials sciences for analysis, design, manufacturing and maintenance of mechanical systems. It is the branch of engineering that involves the production and usage of heat and mechanical power for the design, production and operation of machines and tools.

KARMAYOGI INSTITUTE OF TECHNOLOGY FACULTY DETAILS

Dr. Sanjay P. Patil

Principal

Other Faculty Details

Mr. Dipak V. Bhosale Assistant Professor, Department Of Computer Science & Engineering Qualification - M.E. Academic Exp- 8 Years	Mr. Sarang M. Kulkarni Assistant Professor, Department Of Computer Science & Engineering Qualification - M.E. Academic Exp- 11 Years	Mr. Uday R. Karvekar Assistant Professor, Department Of Mechanical Engineering Qualification - M.E. Academic Exp- 16 Years	Mr. Sameer S. Upase Assistant Professor, Department Of Civil Engineering Qualification - M.E. Academic Exp- 12 Years	Mr. Sandip J. Savekar Assistant Professor, Department Of Science Qualification - M.Phil Academic Exp- 9 Years

RESEARCH

Goal

To develop an integrated R&D environment, that will promote and strengthen the research activities in the institute, to meet the immediate as well as futuristic requirements of the Industry and Society and thus improve the quality of various study programs at Karmayogi Institute of Technology, Pandharpur.

Objectives

- Increase publication activities.
- Encourage faculty to undertake sponsored and consultancy research projects in order to strengthen the research profile of CCEW.
- Maintain external and global relationship with industries / other universities through R & D activities.
- R & D cell provides administrative and managerial support for the operation of sponsored research, consultancy and other R & D related activities.
- Prepare MoUs between institute and funding agencies
- Check and Maintain expenditure details / utilization of funds under a funding project.
- Maintain a centralised repository of research activities data and generate various reports, as and when needed Encourage students as well as faculty to file patents for their innovative work.
- Maintain progress reports.

PLACEMENTS

Karmayogi College has an independent Training and Placement Cell located in the main building; is committed to provide all possible assistance to its students and also cater to the needs of organizations. It is headed by an Officer Incharge designated as Training & Placement officer and supported by five Placement Coordinators. It ensures the student to secure esteemed positions
